**SUNDAY**
MAKARSKA – BOL (BRAČ) - STARI GRAD (B, L)
This morning we continue our cruise towards the next destination – the island of Brač, more precisely to the town of Bol, known for its famous Zlatni Rat beach (Golden horn), a natural phenomenon that dominates the other beaches of Bol with its specific form. After swimming break and lunch we continue our journey towards Stari Grad on the Hvar island, the sunniest Adriatic island. Free afternoon to explore this unique town. The famous Stari Grad Field is the oldest in Croatia and the best preserved example of ancient Greek system of agriculture. Together with the old town it is a part of world heritage protected by UNESCO.

**MONDAY**
STARI GRAD – HVAR (B, L)
Our next destination is the town of Hvar, a favorite destination for jet setters from all around the world. After lunch we stop for swimming, relaxing and refreshment in clear, crystal blue sea at nearby Pakleni islands. Arrival to Hvar in the afternoon hours followed by sightseeing of this extraordinary town. Offering many cultural and historical sites (Renaissance cathedral, the oldest communal theater in Europe founded in 1612, Franciscan monastery, the Benedictine convent famous for their lace listed on the UNESCO World Heritage List, Spanjola fortress towering high above the town ... ) and many restaurants and bars open late into the night.

**TUESDAY**

As weather conditions can be very unpredictable, the possibility of our visit will depend on those conditions, however you will be notified of this by the crew. Entrance to Blue Cave is to be paid on the spot (approx. EUR 14.- per person). We continue towards the island of Vis, which was a strategic navy harbour due to its unique geographical position and as such closed to the public until recently. Because of its isolation, Vis has a special charm - the Mediterranean as it once was’ which makes it really interesting to see. Overnight is in the town of Vis, situated on the northern side of the island, developed near the remains of the ancient Issa, first urban centre in Croatia. If interested, visit the remains of the Roman thermal Place, City museum or simply take a walk enjoying the view of beautiful “Vilaie Rusticae” situated along the coast.

Today, Korčula is the only place in the world where the Spanish medieval knight’s game – Moreška is still performed. Upon arrival enjoy a guided tour through the streets of the old town built in the shape of a fish bone. Enjoy the numerous konobas, taverns, restaurants, cocktail bars or night-club located within and around the town walls. Overnight in port.
